IDEM Singapore – International Dental Exhibition and Meeting

IDEM Singapore 2014 Promises the Future Now

Back for its eighth biennial edition the International Dental Exhibition and Meeting (IDEM) Singapore 2014 is a "must-attend" for dental practitioners and professionals in the Asia-Pacific looking for the latest cutting edge technology and innovations in dental solutions and services. IDEM Singapore runs from April 4th to 6th with a pre-congress day on April 3rd at the newly renovated SUNTEC Convention and Exhibition Centre. The conference theme this year is "Dentistry - The Future Is Now" with its programme focusing on the future of dentistry, addressing the different challenges in the various fields of dentistry.

The conference programme will include Clinical, Scientific, Technological, and Business and Practice Management tracks with talks presented by leading experts and world renown speakers. As well as the main scientific programmes, there will also be several new tracks so that IDEM Singapore will now offer programmes for the entire dental team . The new tracks include:

IDEM Singapore 2014 also expects to receive over 8,000 attendees, a rise of over 10% from the previous edition, clear evidence of the importance of this rapidly growing industry in the region.

IDEM Singapore is jointly organised by Koelnmesse and the Singapore Dental Association.

Session and speaker details will be released later along with a complete list of exhibitors.

About IDEM Singapore

IDEM Singapore, a specialised dental trade fair accompanied by a professional congress, has developed since its premiere in 2000 into the No. 1 dental event in the Asia-Pacific region. At IDEM Singapore 2014, participants will meet key decision-makers, strengthen valuable contacts with customers and partners, and explore the potential of an exciting growth market.
